Consultant

““ The ability to learn faster than your competitors may be the only sustainable competitive advantage. ””

(from 'The Fifth Discipline') - Peter Senge

In planning your future the right advice can fast forward your business success. Secure your survival and competitive advantage by engaging an IMC management consultant.

Professional consultants can really help you to learn and adapt faster with fewer errors.

Who is IMC?

Since 1966 the Institute of Management Consultants (IMC) has secured better outcomes and peace of mind for clients by enhancing the professional competence of IMC members.

Today the IMC is still the only organisation setting standards for management consultants in Australia requiring consultants to adhere to:

- Rigorous selection policies
- The IMC Code of Professional Conduct
- Ongoing Professional Development
- The pursuit of the international accreditation for elite consultants - CMC Certified Management Consultant.

CERTIFIED
MANAGEMENT CONSULTANT

Certified Management Consultant

CMC is the international accreditation of elite management consultants that enables you to identify proven experienced and reliable advisors.

This worldwide qualification is achieved after a thorough, demanding assessment process and is recognised in all of the 43 ICMCI member countries.

The Power of Professionalism

Anyone can call themselves a consultant but it takes a special breed to satisfy the IMC criteria to be a professional management consultant.

This means that when you hire a an IMC registered consultant you can be sure of their competency and professionalism.

““ The future belongs to the competent. It belongs to those who are very, very good at what they do. It does not belong to the well meaning. ””

- Brian Tracy

“ Nobody can really guarantee the future. The best we can do is size up the chances, calculate the risks involved, estimate our ability to deal with them and then make our plans with confidence.”
- Henry Ford II

Finding the perfect fit consultant means having a trusted advisor for many years to come. They will help you understand your business, culture, dreams, markets, competition and challenges whilst remaining objective and creative.

Grow Confidently

IMC's unique referral service allows you to find the right consultant 'fit' for your specific situation from a prestigious database that includes independent practitioners through to large corporations, experienced in both private and public sectors and with knowledge across all industries.

Increase Certainty

IMC's intensive member-screening process is designed to save you time and money by providing you with consultants that have appropriate qualifications, expert skills, outstanding integrity, a proven track record and exceptional depth of knowledge.

When you need to penetrate new markets, implement growth strategies, respond to competitive challenges or review internal procedures, there is an IMC consultant to meet your needs.

Gain access to a world of knowledge

IMC consultants are connected to over 24,500 management consultants in 43 countries through the International Council of Management Consulting Institutes (ICMCI). Benefit from access to instant networks and advice on any of the thousands of issues facing international businesses.

Wherever they are, IMC members from varied backgrounds meet to share ideas, attend professional development workshops and learn from one another. When you engage one IMC member you benefit from the knowledge of many.

Make A Difference

Planning for the future while achieving success in the present will enhance your leadership, control and confidence. When your growth depends on results, why risk using an unaccredited consultant? Choose an IMC consultant as your partner and begin to make a difference today.
